CORPORATE OVERVIEW

- PCI Professional Services (PCI-PS) is a tribally-owned certified SBA 8(a) Small Disadvantaged Business providing technical and professional services across U.S. Federal Agencies and the Department of Defense.
- Our professionals have spent decades providing quality support to multiple customers to help further their mission. We have provided expertise in consultancy areas such as organizational design, change management, business optimization and program management. We have also provided mission support in areas such as acquisition/contract management, compliance support, and the full HR support spectrum.
- PCI-PS constantly strives to manage our business efficiently and effectively so that we can pass cost savings on to our clients and deliver the best overall value. We are especially proud of our contract start-up skills and have a proven transition process that allows for immediate performance accountability coupled with onboarding key personnel to ensure customer support continuity and long-term satisfaction. Our people are our most important asset and we invest heavily in recruiting and retaining industry-leading talent.
