Corporate Overview

PCI Professional Services (PCI-PS) is a tribally-owned certified SBA 8(a) Small Disadvantaged Business providing technical and professional services across U.S. Federal Agencies and the Department of Defense.

Our professionals have spent decades providing quality support services in the areas of acquisition/contract management, program/project management, financial and budget support, and professional services. We are familiar with the demands our Government customers face and have adopted a proactive approach to developing real solutions to the problems our clients encounter.

PCI-PS constantly strives to manage our business efficiently and effectively so that we can pass cost savings on to our clients and deliver the best overall value. We are especially proud of our contract start-up skills and have a proven transition process that allows for immediate performance accountability coupled with onboarding key personnel to ensure customer support continuity and long-term satisfaction. Our people are our most important asset and we invest heavily in recruiting and retaining industry-leading talent.
